In this office letter cited above it was mentioned that a sum of Rs. 1,500 has been provided by the Municipality in the budget estimate for work connected with the enforcement of the provisions of the Act and the extension of its provisions to the Bellary Municipality, except sections 6, 7, 8 and 16, was recommended. In the Municipal Commissioner's letter, forwarded with Government's endorsement cited above, the Commissioner requests the extension of the provisions of the Act to certain villages within a distance of 5 miles from the Municipal limits. In reply to a reference from this office he states that he has not obtained the sanction of the Municipal Council to his proposal to extend the Act to the surrounding villages but that he made the proposal as otherwise the object of the move would be frustrated by the people moving out to such villages.

2. The District Superintendent of Police, Bellary, who

who was consulted in the matter, says that there are about 60 brothels with about 350 women in the Municipality living by prostitution and that these are certain to migrate to the villages immediately surrounding if the provisions of the Act were applied to the Municipal town alone. There is no traffic in women in these villages at present and only a few low-class women practice prostitution individually.

3. I agree with the opinion expressed by the District Superintendent of Police and recommend that the provisions of the Act, except sections 6, 7, 8 and 16, may be extended to the area comprising the Bellary Municipality and the villages and hamlets noted below:-

Villages.	Hamlets.

2. I agree with the District Magistrate, Bellary. I recommend the application of the Act, except Sections 6, 7, 8 and 16 to the Bellary Municipality and its environs within a distance of 3 miles from the Municipal boundary. The distance of 3 miles from the boundary is suggested as this is the limit prescribed in Section 8 A of the Act and it would be convenient if the limit is the same for the other sections also.

3. Necessary draft notifications have been called for from the District Superintendent of Police and will be forwarded on receipt.

4. The District Magistrate may be requested to consider the question of applying Sections 6, 7, 8 and 16 of the Act after the Municipal Council provides a proper rescue. shelter.

Act may be extended to the Bellary Mncty. and the villages and hamlets within 5 miles of its limits. The request is based on the resolution of the Mncl. Council on pp. 3 c.f. It will however, be seen from the

p. 3 c.f — resolution and portion marked A in the D. Dy's letter (on pp. 7 c.f.) and that the Commr. has been authorized by the Mncl. Council to propose the extension of the Act only

only to the municipal limits and not anywhere beyond those limits.

2. The D. N. proposes that the provisions of the Act except those of sections 6, 7, 8 and 16 may be extended to the city and the villages and hamlets within five miles of the limits of the city. The I. G. of Police agrees with the D. N. as to the extension of the provisions of the Act except sections 6, 7, 8 & 16 but recommends that those provisions should be applied to the city and to the villages and hamlets within three miles of the city only as that is the limit prescribed in sec. 18 (1) of the Act. The distance of 3 miles suggested by the I. G. is the limit usually adopted in applying the provisions of the Act to municipalities.
